**OUR BEST ADVERTISERS.**

Moravia, Idaho, April 16th, 1912.

A Miller & Sons, Milton, Oregon.

Gentlemen: Please find enclosed my check No. 149, for \$276.08, covering my order made on January 16th, 1912.

The trees arrived in fine condition and are perfectly satisfactory, and if I do not make an orchard out of them it will not be your fault, provided they are true to name.

With kind regards, I am, very truly yours,

JOHN P. DUNN.

Bonners Ferry, Idaho, April 18, 1912.

Milton Nurseries, Milton, Oregon.

Dear Sirs: Trees at hand and are sure fine. It made some of those men that would have nothing but \_\_\_\_\_'s trees feel sick. But just wait a year—they will be sicker than ever. Michigan trees are no good in this country. But some people must have 3-year-old trees. One man out here and five of his neighbors bought trees to put out 40 acres of Rome Beauty and McIntosh Red, 3-year-old trees. Well, they are all Ben Davis. They are some mad, I guess, and so it runs with eastern trees.

J. F. McGLOCKLIN.

Bochnia, Austria, 11|11, 1911.

Milton Nursery Co., Milton, Oregon.

Dear Sir: Replying to your inquiry of 20|10, 1911, I do you know, that all the fruit trees, which you had reached to me, are arrived in good condition. I have planted them in my garden. All the fruit trees are growing and well looking.

Yours respectfully, servant,

DR. ANT. PIETRZYCKI.
